Re: National Labor Relations Board v. McDonald's USA, LLC, Case No. 1:15-mc-00322-
P1

Dear Judge McMahon:

The undersigned is counsel to McDonald's USA, LLC in Case No. 1:15-mc-00322-P1. Pursuant to the rules of this Court, http://www.nysd.uscourts.gov/pro_hac.php, two partners from Jones Day, Ms. Doreen Davis and Mr. Jonathan Linas, request the opportunity to file for admission *Pro Hac Vice* by oral motion immediately prior to the hearing in this case scheduled for Thursday October 29, 2015 at 2:30 p.m.

While Ms. Davis and Mr. Linas have requested current certificates of good standing from each state court in which they are a member of the bar, given the expedited nature of this proceeding, they do not anticipate receiving those certificates in time to make a written motion before Thursday. Ms. Davis and Mr. Linas will bring completed Proposed Orders for Admission *Pro Hac Vice* on oral motion to Court on Thursday.

Thank you for your consideration of this request.

Very truly yours,

s/ Joshua Grossman
